

Nintendo Wii for Health & Fitness

Grab the kids and dance to the Michael Jackson Experience or get serious with Jillian Michaels Fitness Ultimatum!

Nintendo Wii has done more than revolutionize how video games are played, it has become a powerful tool to achieve and maintain your family's health. Finding the time to go to the gym, not to mention membership and personal-trainer fees, can be tough, so Nintendo Wii brings the gym and personal fitness programs to you. Wii offers customizable fitness games and accessories designed to meet individual health needs.

- Wii is a fraction of the cost of a gym membership or personal trainer and you can workout in the privacy of your home.
- Wii is endorsed by the American Heart Association.
- Wii makes fitness fun, is tailored to your needs and can be done on your time, increasing your success.
- There are fitness titles for all ages.
- It is a great way to keep the family active all year.
- Wii is used by professionals at schools, libraries, hospitals, rehabs and assisted-living facilities to promote wellness and as a valuable physical- and occupational-therapy tool.

Description Shipping & Returns

All the activity from playing sports, dancing, and role playing is sure to heat you up, but all that action also makes the Wii Console hot.

The Mini Cooling Fan will keep the console from overheating, which can cut game time short and severely decrease system life. Simply plug it in to the USB port and it'll keep the console cool -- whether it's for a one hour Wii Fit workout or and all-nighter with eight of your kids' best friends!

- Cool your Wii console from overheating
- Easy to attach and detach.
- Made of durable quality material.
- Includes additional USB port
- For use with: Nintendo Wii Console

A Perfect Fit! The Wii Fit balance board sleeve helps protect the board - and you- during workouts. Providing added comfort and safety the Wii Fit Sleeve is the perfect fit for your Wii Fit Plus Balance Board.

Eliminate your concerns about slipping when using your Wii Fit balance board. A Wii Fit Sleeve protects your balance board and cushions your feet, all while preventing any accidental slips. The sleeve makes for better traction during workouts and keeps the board free from scratches and scuffs. The soft silicone lessens impact on the feet and helps keep your feet in position.

Get a customized workout with the Wii's award-winning fitness games and extra peace of mind with the Balance Board Sleeve.
